EXPERIENCE

INTERIOR DESIGN INTERN
RMW ARCHITECTURE & INTERIORS, SAN FRANCISCO, CA

- Collaborated with architects & interior designers to develop space plans, interior elevations, & renderings
- Implemented Revit, Sketch-Up, & Adobe Creative Cloud Suite throughout multiple projects
- Prepared & proposed interior concepts to clients
- Communicated with local representatives for samples and quotes on material and furniture

Summer 2019

PROJECTS

- Interior Design Consultant for Toella City Library
- Produced multiple construction documents for new construction & tenant improvement
- Designed and prototyped a custom wall panel using Rhino
- Worked with the local fire department to develop conceptual designs for a multi-use building that includes a fire station, fire museum, gym, & restaurant.
- Designed a Victorian-inspired home based on LEED standards
- Collaborated with mechanical engineers and local fire marshal to develop a conceptual opioid clinic
